## TIGER STAR IS ROUTED BY SOX

After Pitching 35 Straight Scoreless Innings Coveleskie Is Fought.

## TINKER'S FEDS WIN AGAIN

Down St. Louis 5 to 1—Cubs Vanquish Reds 11 to 5—Indianapolis Wins 15th Straight Game.

Chicago, Ill., June 25.—Harry Coveleskie, the miracle man, has topped from his pedestal. For 35 innings the pitching pole had reigned as monarch of all he surveyed, a shut-out wizard of high degree. For 35 periods the come-back kid had blanked all comers from the east end of the American league. Then he ran afoul of those sprightly Sox and they sent him to the cooling board with one down in the third inning of the opener yesterday at Comiskey park. By continuing the assault Callahan's army triumphed 5 to 2. Score:

## EARL HENDERSON QUILTS IN THE 3D

Whitney Gets Best of Scheduled Ten Round Boxing Exhibition at Empire.

## CROWD SHOWS ITS DISGUST

Loser Is Hooted When He Quits Ring—Claims Many Alibis—Whitney a Good Man.

Earl Henderson, the local welter-weight scrapper, whom ring fans of this city have boosted and proclaimed as a possible champ, disappointed a large crowd at the Empire theater last night and finished his boxing career in this city when he quit the ring in the third round of his scheduled 10-round boxing exhibition with Frankie Whitney of Cedar Rapids. The crowd had paid good money to witness a supposedly good exhibition of the many art of self defense, and the management of the affair is in no way responsible for the miserable showing of the local pug. It is a most regrettable incident, and not only proves a detriment to the boxing game in the tri-city, but shatters whatever hopes Henderson may have treasured for becoming a scrapper. The crowd showed the utmost disgust when the local boy left the ring, hooting and jeering as they left the theater. Hundreds swarmed onto the stage to congratulate Whitney and hear the excuses offered by Henderson.

Whitney a Great Scrapper.  
In the first place, Henderson in his prime is no match for Frankie Whitney of the Hawkeye state, who is one of the cleverest little scrappers in the ring today. Whitney could come mighty near holding his own with the best men in the game. He has a splendid guard, which an opponent has a hard time penetrating, and his punch is quick and forcible. The first three rounds of the exhibition last night went to the Cedar Rapids youth, but by a narrow margin and when Henderson said he intended to quit at the end of the third the crowd was considerably surprised. There had been no heavy hitting on either side and seemed no occasion for the lad to step from the ring.

Should Not Have Fought.  
Whoever has taken hold of Henderson as a manager displayed a strong case of ivory dome when he allowed him to train off seven pounds of flesh in two or three days, and this fact is partly accountable for the boy's punk showing. However, it seems that all these facts should have been taken into consideration before the men entered the ring, and rather than quit cold as he did, it would have been better to have called off the fight altogether. The management was much disappointed at the outcome, but promises to get some excellent exhibitions for later in the summer.

In the preliminary last night "Young" Henderson of Rock Island, brother of Earl, shaded "Kid" Ross of Joliet in a four-round sparring exhibition which was a tame affair.  
Poughkeepsie, N. Y., June 25.—"The judges' boat was the only place from which could be given an accurate decision on the result of the Yale-Harvard race," said Vivian Nickalls, coach of the Pennsylvania crews. "I don't care what the camera films show. They are not accurate unless the camera was absolutely on the flash line." This was the comment of the brother of Guy Nickalls, the Yale coach, when told that the moving pictures were reported to have shown that Harvard won the race.

## ERRORLESS BALL FOR THE ARGUS

Playing errorless ball behind Pitcher Billy Kahle in yesterday's game with the Union. The Argus grabbed another victory and boosted their percentage in the Twin-City Newspaper league to .834, with five games won and one lost. Billy was in great form from start to finish, though he managed to get himself into several holes owing to wildness. He was tight in the pinches, however, and the Unionites were unable to hit when hits counted for runs.

Bieberbach, the phenomenal young southpaw of the Union staff, was wild in yesterday's game and was unable to locate the plate in the first two

rounds. In the opening session five Argus men walked, Edwards and Means getting hit by pitched balls while Buffum, Podhaski and Ed were given four balls each. A two-base hit by McGinnis, coupled with an error and a beautiful two-sacker by Kahle, pushed six runs across the pan, and gave The Argus a lead which was never overcome. In the second inning Bieberbach was still wild and this, together with two more swats, pushed a couple of counts across the pan again for the league leaders, making the total eight.

The Argus was unable to score again until the fourth round, when Burris took a walk, stole second, went to

third on an out, and stole home with two men out. This ended the scoring for both sides and the game ended 9 to 2 in favor of The Argus.

The feature of the game was Carl Ed's catch of a drive in the fifth inning with the bases full, when he and Podhaski came together in a head-on collision. Ed held onto the ball, however, retiring the side with the third out. The score:
